**Other:**

Are you willing to have an OAARS representative visit your home where the pet will be living? \_\_\_\_\_

Once placed, an OAARS Representative reserves the right to: (1) check on the pet to ensure its well-being, and make sure the pet and family have adapted to each other; (2) remove the pet from the home if any conditions of the adoption contract have been violated, or if the environment is determined to be unsafe. Will you agree to this? \_\_\_\_\_

Will you agree to periodically send updates/pictures to OAARS to let us know that the cat is doing well?  
\_\_\_\_\_

Will you respond to emails from OAARS inquiring about the pet, even a year or two after adoption?  
\_\_\_\_\_

It's OAARS policy to collect the adoption fee and contract at the beginning of the adoption. If the animal is returned within the first 24 hours you will receive a 100% refund, if the animal is returned after the first 24 hours but before the end of two weeks, you will receive a 50% refund. If you return the animal after the first two-weeks, you will forfeit your adoption fee. Do you agree to this policy? \_\_\_\_\_
