TERMS OF AGREEMENT (Please read over carefully & initial)

_____ I understand that OAARS is a nonprofit organization and relies on donations, fundraisers and adoption fees to operate.

_____ I understand that OAARS will not be held responsible for any accidents that might occur while the animal is in my care. (i.e. bites, scratches, or any other injury to me, my family members, visitors, friends, and/or any other animals in/outside my home)

_____ I promise to take care of this animal to the best of my ability. I WILL NOT leave my rescue outside unattended (cats will be indoor ONLY). I will give them protection from the weather, give them lots of love and attention, provide heartworm preventative, flea treatment, seek medical help as needed, and schedule veterinary appointments for shots, spaying/neutering, or for any conditions the animal may be afflicted with.

_____ I will only feed my foster animal food that is on the approved list that the foster coordinator provides for me. If my foster animal needs a specialty food I will only feed the foster animal that food that is provided and follow the feeding instructions.

_____ I will not change the names of my foster animals while they are in my care.

_____ I will not switch my foster animal with other foster families unless an OAARS Foster Coordinator has been notified and the switch has been approved.

_____ I will not adopt this animal out without the proper procedures and screening of the adopting family by the Adoption Committee.

_____ I understand that I WILL NOT hand over any OAARS foster animal to anyone that has not been previously approved by the OAARS Board Members. If any person claims to be the original owner of an OAARS foster, I will provide the contact information for the Foster Coordinator and notify the OAARS Foster Coordinator immediately.

_____ I understand that in emergency or stray placements, a veterinary doctor might not have checked these animals. I will coordinate with OAARS and a vet for a checkup and initial shots for the animal as soon as possible.

_____ I understand that OAARS will only cover medical expenses associated with an OAARS foster animal including vaccinations, surgeries, and monthly preventatives only at approved veterinary clinics. The Foster Coordinator can provide a list of these locations.

_____ I will immediately quarantine and contact the appropriate Foster Coordinator if a stray is taken in. I will use different litter boxes and keep the stray animal away from any foster animal until the Foster Coordinator has confirmed that proper vetting and precautions are made. ***This is to avoid the stray infecting the OAARS pet (ie. FIV/FelV, parvo, worms, fungal infections, etc).***

_____ I understand that I will be financially responsible for the medical expenses for the OAARS pet incurred if the stray pet contaminates or infects the OAARS animal.

_____ I understand that all medical receipts for reimbursement shall be turned in within 14 days of the date seen on the receipt. If not turned in to the OAARS Treasurer or Foster Coordinator within 14 days of receipt date, OAARS will not provide reimbursement. I will also include my mailing address and payee in this email.

_____ I understand that OAARS does not cover pet expenses such as food, toys, litter, treats; however, if I'm at an adoption event and these items are donated I am welcome to them.

_____ I understand that if I submit any reimbursements for my foster animal and I decide to adopt my foster animal, an adoption fee will have to be paid to OAARS.

_____ I understand that if I decide to adopt my foster animal while I'm fostering, I will notify the foster coordinator immediately. I understand that I will have to follow the traditional adoption process and will not be shown any favoritism. I understand that my application will be placed in the order it is received.

_____ I understand that my foster animal has to be brought to at least one adoption event per month. If my schedule does not permit it, I will coordinate with the OAARS Foster Coordinator to arrange transportation.

_____ I will give a 30-day notice if I will be leaving for vacation, training or deployment while fostering an OAARS animal and would like OAARS to assist in finding someone to watch my foster animal. An exception to this rule is emergency leave.

_____ I will give OAARS a 60-day notice when it comes time for my PCS move.

_____ I agree to never release/dump my foster animal, nor take my foster animal to Karing Kennels, Ozato, or any other establishment of the sort if a situation arises.

_____ OAARS will find adequate care in another foster home if I am unable to fulfill this commitment. I understand the need for foster care is great and will be patient with the Foster Coordinator in finding my foster animal a new home.

_____ If my foster dog/cat gets out of the house, I will immediately notify the Foster coordinator and board members. I agree to assist in searching for my foster animal.

_____ I agree to notify the Foster Coordinator if I register to foster with another organization. I understand that I may not foster with multiple organizations at the same time, as this creates a potential liability issue for each organization.

_____ OAARS can terminate this agreement and remove the animal if the conditions above are not met. The primary concern of OAARS is the welfare of the animals.

I have read and agree to abide by the above **TERMS OF AGREEMENT**.
